

DELIVERY INFO

We send from inside the European Union(EU) and we can send to all countries of the World. There are NO delivery costs! All products include FREE worldwide delivery.

We use EMS service. Shipping is safe and delivery normally takes between 2 and 5 days to come at your door. Once dispatched we can email you the tracking number. We usually dispatch within 1 working day of receiving payment.

The Laser Interceptor package is CE and FCC (Federal Communication Commission) approved. P.S: We usually don't send this product to countries that there is already an official reseller. If you still have any questions feel free to contact us.
